

**2017 DC MOCK LIST (#7527)**  
**JUNE 10<sup>th</sup>, 2017**

- This MOCK LIST is based on e-mails and phone calls from DC Candidates
- *There may be some minor errors - PLEASE EMAIL or CALL and we will adjust*
- It is intended to provide info to many of Fire Tech loyal students over the years
- Good Luck to all

We have 110 marks thus far, Looks like a normal bell curve. The appearance is that most of the missing marks will be marks in the 70's or those who failed or did not show up. Let us know about these grades if possible. Thanks to all for your help. We will update the list weekly. Congratulations to all.
